                                    F C G/B G D A7
Here comes the sun
G E7
                                    Sun, sun, sun, here it comes
                                    F C G/B G D A7
Here comes the sun and I say
D G F#m Em A
                                    Sun, sun, sun, here it comes
                                    F C G/B G D A7
 It's all right
                                    Sun, sun, sun, here it comes
                                    F C G/B G D A7
                                    Sun, sun, sun, here it comes
 Little darling
                   A7
                                    F C G/B G D A7 Sun, sun, sun, here it comes
  G
It's been a long cold lonely winter
                                    (A7 A7(9))
Little darling
It feels like years since it's been
                                    Little darling
                                            G
here
                                    I feel that ice is slowly melting
                                     Little darling
Here comes the sun
                                               G
G E7
                                    It seems like years since it's been
Here comes the sun and I say
                                    Α7
D G F#m Em A
                                    clear
It's all right
                                    Here comes the sun
D A
                                    Here comes the sun and I say
 Little darling
                                     It's all right
                 A7
          G
The smiles returning to the faces
                                     Here comes the sun
Little darling
                                     Here comes the sun
It seems like years since it's been
                                     It's all right
Α7
                                       F C G/B G D
here
                                     It's all right
Here comes the sun
G E7
Here comes the sun and I say
D G F#m Em A
It's all right
