The Temptations - My Girl
[Intro] C
                                         D
I've got sunshine on a cloudy day
                                  I don't need no money
               F
                                    D
When it's cold outside
                                  Fortune or fame
          С
                                  G D
                                    I've got all the riches
I've got the month of May
                                    G D
C Dm F G
                                  Baby one man can claim
I guess you say
 C Dm
                                      D Em G A
             F
                                  Well, I guess you say
What can make me feel this way?
                                       Em G
My girl, my girl, my girl
                                  What can make me feel this way?
       Dm
Talking about my girl, my girl
                                  My girl, my girl, my girl
                                               A G F#m Em
                                          Em
                                   Talking about my girl, my girl
          С
               F
 I've got so much honey the bees
                                              D
                                   (Talking about my girl)
envy me
                                   I've got sunshine
 I've got a sweeter song
                                  On a cloudy day with my girl
Than the birds in the tree
                                     A G F#m Em
                                   I've even got the month of May
    C Dm F G
                                      D
Well, I guess you say
                                  With my girl
C Dm F
                                                Em
What can make me feel this way?
                                   (Talking about, talking about)
                                                A G F#m Em D
С
                                   (Talking about my girl)
My girl, my girl, my girl
Talking about my girl, my girl, hu m
(CFCF)
(Dm G Em A)
