The Cranberries - Linger

[Intro]

(A6 A A6 A C G)

[Primeira Parte]

```
    D
If you, if you could return
              A
Don't let it burn, don't let it fade
                    C
I'm sure I'm not being rude

But it's just your attitude
                  G
It's tearing me apart

It's ruining everyday

     D
I swore, I swore I would be true
                    A
And honey so did you
                        C
So why were you holding her hand?

Is that the way we stand?
                          G
Were you lying all the time?

Was it just a game to you?
```

[Refrão]

```
               D
But I'm in so deep
                    A
You know I'm such a fool for you
                              C
You got me wrapped around your finger
                    G
Do you have to let it linger?

Do you have to? do you have to?
                        D
Do you have to let it linger?
```

[Ponte]

```
         A
Oh, I thought the world of you
            C
I thought nothing could go wrong
               G
But I was wrong, I was wrong
```

[Segunda Parte]

```
     D
If you, if you could get by
              A
```

```
Trying not to lie
                          C
Things wouldn't be so confused

And I wouldn't feel so used
                            G
But you always really knew

I just wanna be with you
```

[Refrão]

```
                 D
But I'm in so deep
                        A
You know I'm such a fool for you
                                  C
You got me wrapped around your finger
                      G
Do you have to let it linger?

Do you have to? do you have to?
                          D
Do you have to let it linger?
```

[Solo] A C G

[Refrão Final]

```
                 D
But I'm in so deep
                        A
You know I'm such a fool for you
                                  C
You got me wrapped around your finger
                      G
Do you have to let it linger?

Do you have to? do you have to?
                          D
Do you have to let it linger?

                        A
You know I'm such a fool for you
                                  C
You got me wrapped around your finger
                      G
Do you have to let it linger?

Do you have to? do you have to?
                          D
Do you have to let it linger?
```
